Mrs. Vanderbilt's marble palace with its long circular drive is one of the most ornate. The facade is reflected in a central pool where 3 lions of marble pour forth water from their mouths. The rock formations are at Castle Hill. The view here is one of the finest on any coast with the background music of the surf surging in and out on the rocks below and the occasional soft chime of the distant bell buoy.

Legionnaires in Mattapoisett have lost their most active and distinguished member with the passing of John Raphael. The Florence Eastman Post #280 has been Mr. Raphael's principal activity since his retirement from the Morse Twist Drill. In his efforts with the Legion, John became well known statewide and nationally as a representative of the Mattapoisett Post. More important than all the warm friendships formed were all the many services performed so selflessly by Mr. Raphael almost daily for veterans in this locality. Countless trips to hospitals aided disabled veterans to reach treatment. Many were the benefits gained by John in behalf of disabled men. In one way or another, most servicemen in town have reason to remember John Raphael with gratitude and the deepest affection. He was the spark-plug of the Legion. He loved to officiate

at Legion affairs. John had a great interest in the Boys' State program of the Legion and put his efforts toward raising the money to send many boys to this worthwhile program over a period of many years. The Memorial Day parade in Mattapoisett this year did not seem complete because John Raphael was missing. In all things, whether marching to cemeteries in Marion and Mattapoisett, working on Legion suppers, or quietly performing the countless necessary everyday chores to aid the handicapped veteran, he was there. Only those who were on the receiving end of John's generosity know the full scope of this man's great contribution to this town. Those who were, are legion.

Every time John rose to speak, he would begin by saying that he was a man of little education in an apologetic way. Then he would proceed to make the audience his own with wit, simple eloquency and a sincerity that came from his heart. That this great heart faltered and finally failed is the great loss of not only the Legion but everyone this man knew. We salute the memory of John Raphael who was always there when he was needed. He was needed and valued by more neighbors than most men. He was a comrade in

1000% of McGovern is Smaller Than it Seems

Editorial - D.C.J.

The fascinating developments following the choice of Senator Eagleton as running mate for George McGovern continues to hold interest. The shallow and superficial investigation of the man chosen for the vice presidential post had no sooner been revealed when McGovern declared himself behind his choice 1,000%. Having

made the choice, he backed it to the hilt. Or, so it seemed. Senator Eagleton had the shortest 1,000% backing in political history.

The conclusion to be gained from this impressive about-face is certainly not lost on the United States voter. Senator McGovern is a man of numerous radical ideas of a socialist nature and most of them, if not completely impractical, could be dangerous to our economic system and the security of the nation. All would be financed out of the pocket of the wage earner. Presumably McGovern backs these ideas 1,000%. If he should be placed in a position to implement them and they fail, he could then repudiate them in his own inimitable way. The rest of us, unfortunately, would be stuck with the result of his judgement (his original snap judgement that is). Senator Eagleton was dropped because he concealed a weakness which he had previously recognized and for which he had obtained treatment. Senator McGovern is blind to his own weakness which he has made obvious to all. Perhaps he has made another error.

MYC SCORES AT BEVERLY REGATTA

Several boats from Mattapoissett Yacht Club competed in the Beverly Yacht Club Regatta in Marion. In the Beetle Cat Division, Susan McGowan, sailing Hep Cat, came in first on Friday, August 4th, and second on Saturday, August 5th. Harvey Pentleton's Buttercup topped the Widgeon fleet both days.

The Herreshoff 12 1/2 class Regatta, held in conjunction with the Beverly Yacht Club Regatta, extended over a period of three days with a total of four races (one throw-out allowed). Fourteen boats were entered. Ann Donald at the helm of Minnow concluded the third day tied for first place. After working out the numerical formula for breaking such a tie, she then was assigned third place.

in the SMYRA Junior Beetle Cat competition at Hyannis. Jimmy Barnes won first place in the NEBCBA Men's Championship Series, hosted this year at Chapoquoit Yacht Club. Next in line will be three more NEBCBA contenders: Jimmy Broadwater in the Mitey Mites Series on August 7th at the Barnstable Yacht Club, Sue McGowan in the Woman's Series on August 13th at the Chatham Yacht Club, and Meredith Barnes in the Junior Series on August 15-16 at the Cataumet Yacht Club.

THE TIRED FATHERS' RACE

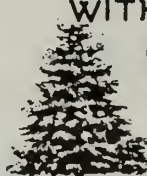

The second race in the Tired Fathers' Series was held Tuesday, August 1st. It turned out to be a match race between Dave Jenney skippering Ariel and H. C. Broadwater in Agamemnon, the end results in that order. They sailed a triangular course starting at the Yacht Club float and plotted to Mattapoissett Neck MYC guide buoy, to Molly's Cove MYC guide buoy and finish.

AUGUST JUNIOR SERIES

The Juniors of the Mattapoissett Yacht Club opened their August Series on Wednesday, August 2nd, with one race in which only four out of the ten starters finished the rough, wind-tossed course. Meredith Barnes in Gay Lee Ann II covered it in 47:00.

HELPFUL ADVICE FOR
THE WOMAN DRIVER

by Kay Nicolette

Women's Service Director
Gulf Oil Corporation

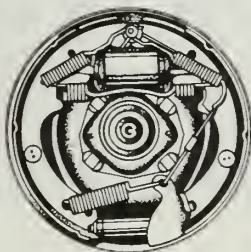

If periodically checking your appearance in the rear view mirror is "just your speed," chances are an accident awaits you. For seemingly harmless habits such as this—like striking a match to light a cigarette while going 50 miles-per-hour—might well put you on the road to ruin.

Incredible as it seems, all drivers have at one time or another seen women applying lipstick, men combing their hair while driving a car. We all know people incapable of talking to us unless they look directly at us. Have you ever been a passenger in a car driven by such a person? It can be a chilling experience. Or what about the driver who can't talk without hand gestures?

Yet those are the sort of foolish things drivers really do.

How many bad driving habits do you have? If you're honest with yourself, chances are you'll be appalled at your own bad habits. You, after all, are the key to your own driving safety.

For helpful advice on safe driving and maintenance of your car, write to Gulf Oil Company—U.S., P.O. Box 1519-TG, Houston, Texas

The Board of Selectmen wish to remind the citizens of Mattapoisett of the following state statute which they intend to enforce:

TOWN OF MATTAPOISETT, MASSACHUSETTS

PUBLIC NOTICE

CHAPTER 270 SECTION 16

Whoever places, throws, deposits or discharges, or causes to be placed, thrown, deposited or discharged, any trash, refuse, rubbish or debris on a public highway or within twenty yards thereof, or in or upon coastal or inland waters, as defined in Section one of Chapter one hundred and thirty-one, respectively, or within twenty yards of any such water, or on property of another without permission of the owner thereof, shall be punished by a fine of not more than two hundred dollars. If a motor vehicle is used in committing such nuisance a conviction under this section shall forthwith be reported by the court to the registrar of motor vehicles, and the registrar may suspend the license of the operator of such vehicle for not more than thirty days, and if it appears from the records of the registrar of motor vehicles that the person so convicted is the owner of the motor vehicle so used, the registrar may suspend the certificate of registration of said vehicle for thirty days.

the President Committee.

Frank Parts, candidate for Registrar of Probate, told his qualifications to fill Walter Gilday's job upon Mr. Gilday's retirement, and Frank Randall, currently County Treasurer, spoke in behalf of Fred Underhill, Jr. (currently assistant treasurer) to fill that County Treasurer's position as Mr. Randall is also retiring.

Robert R. Thackeray and Richard W. Angle were voted in as new members of the Committee.

Voters were asked to be sure and vote for all positions on the ballot as the committee was told that many people neglect to vote for the positions of the last two speakers which come at the end of the ballot. Also, voters were to be reminded that the last day to register at the Town Hall is August 19th from 12 noon to 10 P.M.
